

To have a successful event it is critical that chaperones and busing coordinators review the “What to Expect” materials at the following link: <https://micareerquestmm.com/schools/>. You will find detailed information for chaperone/student preparations, trip and busing details, event information and post-event follow-up. The following information contains suggestions for pre and post event lessons to make the most of career exploration of in-demand careers.

Please see the suggested activities below that align to the goals and outcomes of the MiCareer Quest event.

### **Pre-Event Lesson Suggestions:**

#### **What jobs match your Interests and Personality Style?**

##### **1. Identify Interests:**

Review your Personality Style results in Xello (under About ME, click on Personality Style/ view results)

- What is your Personality Style? (Builder, Thinker, Creator, Helper, Persuader, Organizer)
- What are the skills associated with each Personality Style?

**Not a Xello User?** - You can complete this [Interest Assessment](#) to find your interests and skills

##### **2. Visit the [O\\*Net website](#) to learn more about what kind of jobs match your skills and personality.**

- Browse jobs by clicking on your interests and personality type in O\*Net. Xello personality types are in parenthesis ( ).
  1. Realistic: (Builder)
  2. Investigative: (Thinker)
  3. Artistic: (Creator)
  4. Social: (Helper)
  5. Enterprising: (Persuader)
  6. Conventional: (Organizer)
- Pick 2-3 Jobs that interest you for each of your Interest types (ie:Realistic/Builder)

##### **3. Explore the list of [jobs](#) that will be showcased at the event**

- What jobs on the list match the ones you’re interested in?
- Pick 2-3 additional jobs on the list that you’d like to learn more about.

## Post-Event Lesson Suggestions:

1. Add an **experience** to your Xello profile:
  - On your about me page, scroll down to Experiences and add an experience under education.
    - Subject or course - MiCareer Quest
    - School or organization - Your high school
    - Time period - October, 2024
    - City or town - Bay City
    - Answer questions
      1. What I liked..
      2. What I found challenging.
      3. What I learned.
2. Update your favorite **cluster(s)** based on what you found interesting at the event:
  - On your about me page (just above experiences) add your favorite cluster from the event:
    - ADVANCED MANUFACTURING
    - AGRI-BUSINESS (Agriculture and Business)
    - CONSTRUCTION (Architecture and Construction)
    - HEALTH SCIENCES
    - INFORMATION TECHNOLOGY
3. Save your favorite **career(s)**
  - Click Explore on the top toolbar and choose Careers
  - Click on more filters, click the box next to your chosen cluster (click on show more if it doesn't show up) and click the blue careers button
  - Explore the careers by clicking on the tile. Save with the heart on the top right to save.
    - You can visit your saved options later by clicking the  on your top toolbar.

**Not a Xello User?** You can explore jobs within each of the Career Clusters by clicking on the [CareeroneStop link](#)

Additional Suggested Activities:

### Career Demand

- Research the top jobs that are in demand and it's salaries, [Michigan's Top 50](#), [Top 50 Jobs in the Great Lakes Bay Region](#)
- View Virtual Talent Tour videos to learn more about regional careers and businesses in in-demand sectors: [MiCareerQuest Middle Michigan](#)
